About the Program

The summer enrichment program is available for children between the ages of 6 and 14 years and will run weekly from July 16th through August 17th. The program is designed to benefit children, youths and teenagers of all abilities. Our environment is designed to help each participant find success in meeting individual challenges through elective program design which offers choice, variety, and flexible schedules that does not limit a persons potential for growth. Participants choose their activities, and our counselors guide and teach them individually.

What is Elm Hill Center?

Elm Hill Center (EHC) sits on a 40 acre farm located in the town of Brookfield which borders over 1000 acres of Audubon land. It has miles of hiking trails that lead to several historic locations, a frog pond, and the frog pond path. There is an in-ground pool, flower and herb gardens, horse stables, and an indoor and outdoor riding arena. There are several horses, donkeys, sheep & goats that live on the farm. EHC is a very private and unique location that your children will love to explore.

The center is now owned and operated by Rehabilitative Resources, Inc. of Sturbridge whose goal is maintain the legacy of the farm and offer an opportunity for the entire community to benefit from the facility.
