

- This book is used by over 80% of the registered DMR & DMH MAP sites in Massachusetts.
- Used by both state and private providers.
- Used exclusively by several pharmacies that serve MAP registered homes.
- “This book is rapidly becoming the standard in the field.” *Pharmacist*
- “This book is very easy to use for all of our MAP certified staff.” *Kevin, Program Staff Supervisor*
- “I like this book because it is durable and there is plenty of room to write in it.” *Dave, Direct Care Staff*
- “From a program directors standpoint, this book makes checking countable controlled substances a much less tedious task for our staff.” *Connie, Program Director*

Rehabilitative Resources, Inc. is pleased to offer a controlled substance book, geared specifically towards the needs of licensed staff and for staff certified under the Medication Administration Program training. Certified M.A.P. trainers developed the book; it is concise & easy to use.

The binding meets the specifications set by the Library Binding Institute. These standards meet all requirements for the binding process that have been set by the Departments of Public Health, Mental Health and Mental Retardation.

Over 3,000 in circulation in Massachusetts, with overwhelmingly positive response.

This hardcover book consists of 3 sections:

- **An Index: 20 pages with clearly printed lines, for making 43 entries per page.**
- **The Perpetual Count Section: 220 pages, with space for 24 entries per page.**
- **The Count Verification Section: 80 pages, with space for 44 entries per page.**

This Countable Controlled Substance Book:

- Has been reviewed by the DMH Statewide MAP coordinator and the DMR Director of Health Services. They found it to meet the requirements for use in Department of Mental Health (DMH) and Department of Mental Retardation (DMR) programs, which are subject to the Medication Administration Program (MAP)
- Meets all MAP regulations
- Concise and easy to use
- Designed exclusively for MAP certified staff
